Anlässlich des am 26. November bevorstehenden 70. Geburtstags von Yoram Danziger, Professor an der Universität Tel Aviv und ehemaliger Richter am Obersten Gerichtshof in Israel, haben sich einige seiner Kollegen und Freunde zusammengefunden, um zu seinen Ehren eine Festschrift zu verfassen. In diesen schwierigen Zeiten steht das israelische Verfassungssystem mehr denn je unter Druck. Unter dem Titel »Law in Times of Crisis« vereint der englischsprachige Band eine internationale Gruppe von Autorinnen und Autoren. Die ihm gewidmete Festschrift bezieht sich dabei auf verschiedene Themen des israelischen Rechtssystems und soll das breite Spektrum von Danzigers Denken und Wirken widerspiegeln. Es werden grundlegende Fragen des Verfassungsrechts und der Rechtstheorie, des Strafrechts und der Strafjustiz, Themen des Gesellschaftsrechts und der Finanzregulierung, rechtliche Herausforderungen der digitalen Transformation und Technologie sowie Bereiche der Ethik, der Gesundheit und des Rechts beleuchtet.
